

Grievance Checklist

(to be used in conjunction with the 2011 Grievance Procedures Guidelines)

- The Grievance was filed within the timeframe required.
 - The Grievance was filed by a captain, coordinator, grievance or grievance appeal committee.
 - Grievances and decisions are on the correct forms.
 - All information on the form is completed properly.
 - The complaint was distributed to all parties involved.
 - The committee includes a **basis** for its decision.
 - There is a very specific date and time at which an appeal is due.
 - If a suspension is imposed, there is a specific date that it ends.
 - Grievance decision states that if party to the grievance wishes to have a hearing by the appeal committee, it must be requested in writing. (only required if grievance committee did not hold a hearing)
 - Grievance appeal was filed within timeframe required.
 - If a suspension is longer than 12 months, the decision states that the player or team may appeal to the National League Grievance appeal committee and a time and date is specified.
 - The grievance appeal committee did not impose a harsher penalty.
 - If an NTRP Grievance is filed, it meets the national protocol.
 - Eligible members served on the committees.
-
